V-KONNECT: PRIMARY SECTION MONTHLY NEWSLETTER

EDITORIAL DESK & HIGHLIGHTS

Dear Parents,

Welcome to V Konnect — where our vision to connect bridges school and home, bringing us closer than ever before!

Each edition of V Konnect captures the heartbeat of our school — from student milestones and joyful moments to vibrant events that shape their learning journey.

This month, as we begin a brand-new chapter, we're starting strong — with energy, enthusiasm, and purpose. Join us as we celebrate the first steps of an exciting year filled with discovery, achievement, and growth.

Here's to new beginnings and shared successes!

Warmly,

The V-Konnect Team

Agenda

- Staff Orientation
- School Reopening
- Parent's Orientation
- Counselling Session
- Coins of Kindness
- Academic Activities
- Macmillan Training Session
- Skill Sharing Sessions
- Teacher's Training
- Eco Club Activities
- Father's Day Celebrations
- Yoga Day Celebration

IGNITING EXCELLENCE : STAFF ORIENTATION

The first day of the academic session, a series of enriching orientation sessions were conducted for teachers. The highlight of the day was an inspiring session by Principal Reshma Rao on "Becoming Magnetic – Mastering the Art of Human Energy and Connection," which emphasized the power of positive presence and meaningful relationships in education.

Dr. Sandeep Singh, Chief Operating Officer, addressed the staff and shared the expectations aligned with CBSE norms, guiding teachers towards excellence and accountability.

The day also included an orientation by the Activity Directors on TMG and the Calendar Committee, equipping teachers with clarity and direction for the smooth execution of school activities.

"A strong beginning paves the way for a successful journey."

1st June

FIRST DAY SPARKLE ✨

THE FIRST DAY OF
SCHOOL IS A LITTLE BIG
STEP TOWARD A
BRIGHTER FUTURE.

On June 2, 2026, students returned to school and were welcomed with bright smiles and renewed energy. The day was filled with interactive and engaging activities designed to make the first day truly memorable. Energetic icebreakers and attention-grabbers helped learners ease into the new academic journey with enthusiasm. The lively atmosphere, combined with thoughtful activities, set a positive tone for the year ahead.

PARENTS' ORIENTATION

"EDUCATION IS A SHARED COMMITMENT BETWEEN SCHOOL AND HOME."

The Parents' Orientation for Grades 1 to 5 was conducted in the school auditorium during the first week of the academic session. The Principal, Vice Principal, Headmistress, and HODs addressed the gathering, orienting parents about CBSE norms, school policies, and the role of the PTA.

"When schools and families work together, children thrive."

The session highlighted collaboration and transparency, while clearly outlining the school's vision and expectations.

The programme concluded with an interactive discussion, where parents' queries were addressed with clarity and care.

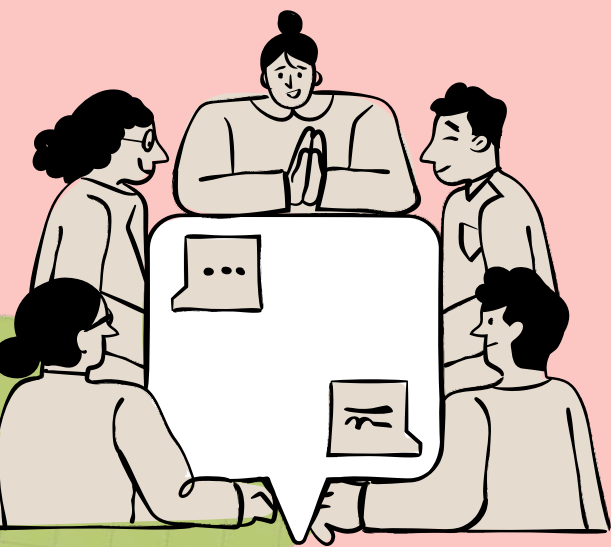

COUNSELLING TEAM INITIATIVE: UNIVERSAL DESIGN FOR LEARNING

The counselling team conducted a session on Inclusive Education, highlighting Universal Design for Learning (UDL)—multiple means of representation, engagement, and expression to include all children.

Teachers were introduced to practical classroom strategies and guided on identifying and supporting children with special needs. The session reinforced our commitment to equity in classrooms, kindness, and creative inclusion, ensuring every child's potential is nurtured in a compassionate school environment.

ACADEMIC ACTIVITIES

**"Fingerprints mark the spot, adjectives
bring it alive!"**

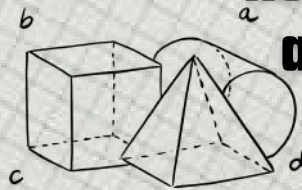

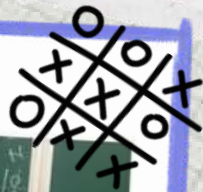

**Smart moves, right
positions!"**

**Healthy Hues and
Habit Views**

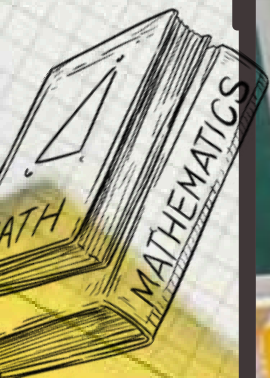

ACADEMIC ACTIVITIES

Number Giants: Comparing and Arranging Crores!!!

Rocket Slider- Place Value Challenge

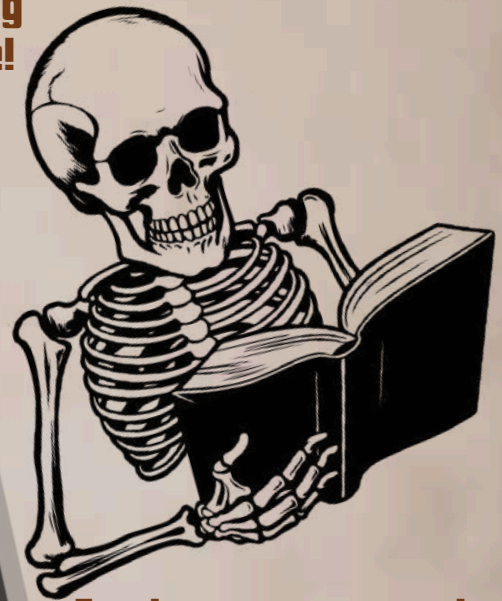

$1+1=$	$0+1=$
$2+3=$	$5-3=$
$4+2=$	$8+2=$

ACADEMIC ACTIVITIES

Tiny Scientists at Work!
Respiratory System Model – Learning how we breathe!

Turning paper straws into a human skeleton model

where creativity meets science 🦴 ✨

Learning through discovery!
Exploring how hollow structures, like our long bones, combine strength with lightness!

COINS OF KINDNESS

EARNED BY CHILDREN, CONTRIBUTED WITH PRIDE

Students collect Coins of Kindness in self-made piggy banks, crafted with the guidance of art teachers, making the initiative both creative and purposeful. For seven years, this practice has inspired children to earn through kind acts rather than asking, instilling pride, gratitude, and responsibility. Each small contribution—₹2, ₹5, or ₹10—represents a good deed, showing that even the simplest acts can create a big impact. This tradition beautifully highlights the joy of giving, the value of kindness, and the power of creative participation.

SKILL-SHARING SESSION

Teachers enhanced their digital literacy and creativity for the V-Konnnect newsletter using Canva templates aligned with the school brand identity. They learned to design professional layouts and contribute confidently to cohesive communication.

The interactive workshop fostered collaboration and idea-sharing. As Ms. Foziya aptly said, "Creativity thrives when shared — together we can design communication that reflects our identity."

**"BRANDING BEGINS
WITH DESIGN —
AND CANVA MAKES IT
SIMPLE."**

MACMILLAN DEMO FOR TEACHERS

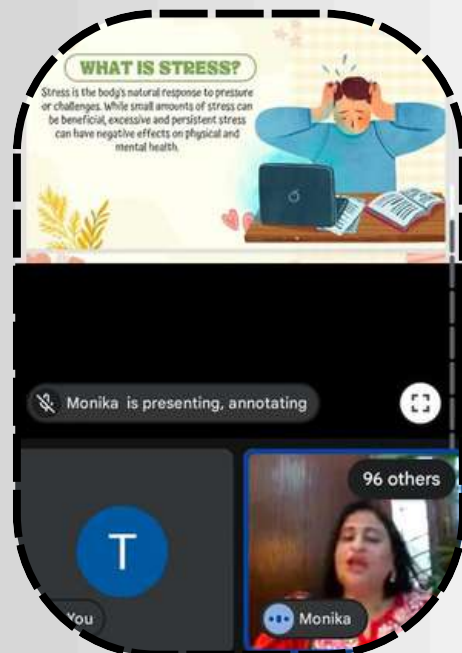

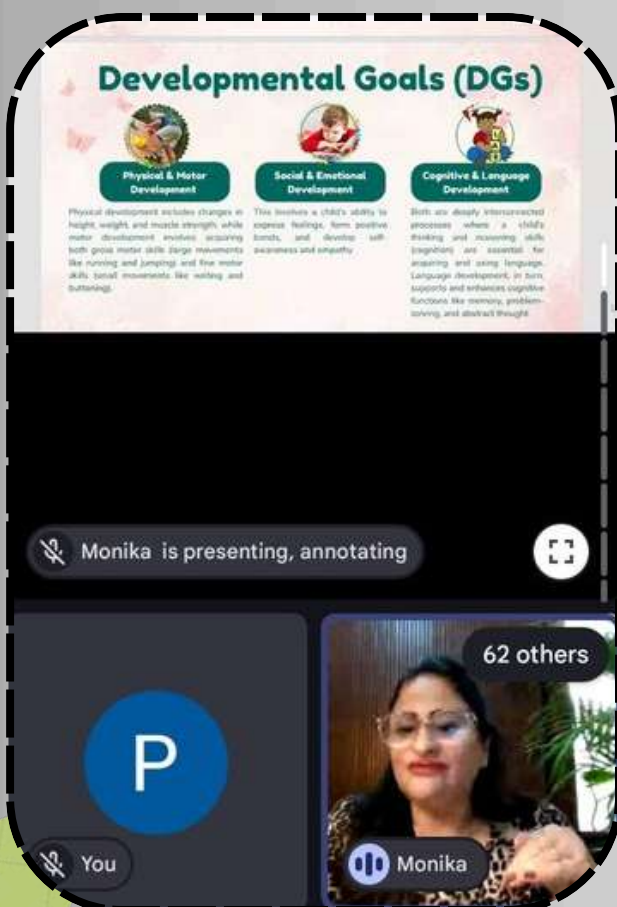

A training session by Macmillan was conducted for teachers. The programme highlighted how McMillan resources are thoughtfully aligned with NEP and CBSE guidelines, ensuring a holistic and competency-based approach to learning.

Teachers were also given a comprehensive demo, providing practical insights into the effective use of the resources in the classroom.

TRAINING FOR TEACHERS

Skillshare India organized impactful sessions on Happy Classroom, Classroom Management, and Stress Management in June 2026, conducted by Ms. Monika Kapoor, Ex-Joint Director CBSE. The sessions were interactive, engaging, and empowering, guiding educators to create joyful classrooms, strengthen classroom management practices, and adopt effective stress management strategies.

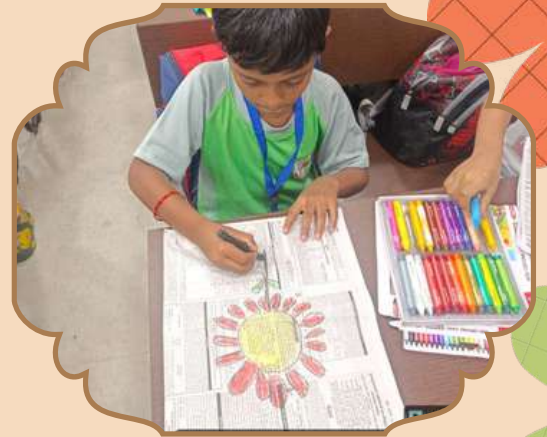

ECO CLUB ACTIVITIES

As part of a meaningful Eco Club activity, Grade 1 and 2 students transformed old newspapers into beautiful and useful paper files and folders.

This hands-on experience encouraged creativity, recycling, and environmental awareness while teaching students the importance of reusing materials in innovative ways. Through this activity, they discovered how simple, everyday items can be given a new purpose, helping to create a greener and more sustainable future. 🌍💚

FATHER'S DAY CELEBRATION

A father's love is forever printed on his child's heart

Father's Day was celebrated enthusiastically by the students with great excitement and joy. A special PPT was shown to the students, helping them understand the importance of the day and the valuable role of fathers in their lives. The students actively participated in various activities planned for the occasion. They expressed their love and gratitude towards their fathers through heartfelt messages and creative presentations.

INTERNATIONAL YOGA DAY

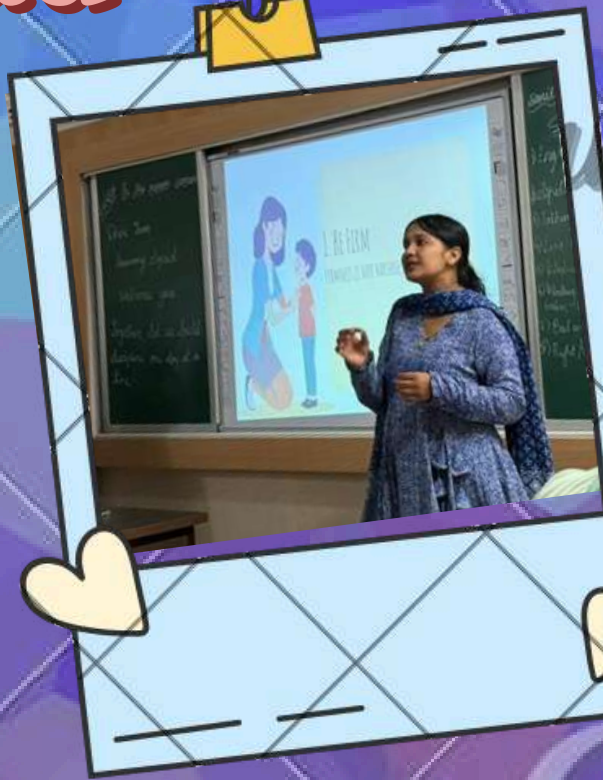

International Yoga Day was celebrated in the school auditorium during PE periods.

Students participated enthusiastically in yoga activities and learned various postures and breathing techniques. Teachers highlighted yoga's benefits, including improved concentration, physical strength, and emotional well-being. The session concluded with calming meditation, fostering focus and inner peace. Students experienced enhanced flexibility, balance, and stress relief. The celebration inspired them to embrace yoga as a part of their daily routine for lifelong wellness.

Harmony Squad

On 22nd June, the Harmony Squad conducted an enriching session for teachers focused on maintaining discipline in the classroom. The session aimed to promote a positive and supportive learning environment for all students. Teachers were introduced to effective classroom management strategies, the importance of setting clear expectations, and the use of positive reinforcement to encourage appropriate behaviour. The session also emphasized creating a respectful and inclusive classroom atmosphere that fosters student engagement and holistic development.

The background of the image is a solid light pink color. It is decorated with several large, stylized pink flowers that have a watercolor-like texture. In the top-left corner, there is a smaller, more detailed illustration of a pink and white flower with green leaves. In the bottom-right corner, there is another similar illustration of a pink and white flower with green leaves. The text is centered in the middle of the image, overlaid on the large pink flowers.

June marked a special beginning with the launch of the very first edition of V-Konnect. It is just the start of a journey where we share, celebrate, and grow together as a school community. As we step into July, we look forward to even more engaging learning experiences, creative expressions, and opportunities for growth. With renewed energy and enthusiasm, we aim to make the coming month even more enriching and memorable for our students. Stay connected, stay inspired!
