V-KONNECT: Primary Section Monthly Newsletter

4TH EDITION FOR THE MONTH OF SEPTEMBER 2026

September: A Month to Celebrate Growth & Gratitude

September arrived with a beautiful blend of learning, celebration, creativity, and achievement. As the days unfolded, our school came alive with experiences that encouraged students to explore, express, and excel.

From curious minds in the classroom to confident voices on the stage, every moment reflected the enthusiasm and spirit of our young learners. New experiences brought new lessons, celebrations created cherished memories, and every achievement became a reason to feel proud.

This edition of V-Konnect brings together the highlights that made September special—the moments of discovery, the joy of participation, the pride of achievement, and the little memories that add meaning to school life.

So, let's turn the pages and relive September—a month where every experience became a lesson, every achievement became a celebration, and every moment became a memory to treasure. 🌟

Teacher's Day

Teacher's Day was celebrated with great enthusiasm on 3rd September 2026, bringing the teaching and non-teaching fraternity together for a day filled with gratitude, joy, and togetherness.

The celebration featured dance performances, melodious songs, fun games, and a special performance by the new joiners. The institution also honoured dedicated staff members with the **10 and 20 Years of Service Awards**, recognising their valuable contributions.

The day concluded with a delightful lunch and an energetic DJ session, making it a truly memorable celebration!

Geeta Chanting

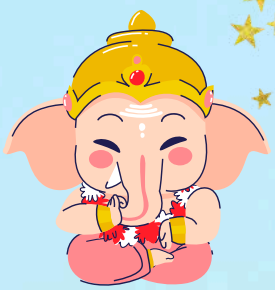

Master Adhrit Pandey from Grade 5 C secured 1 st position in Area level Geeta Chanting Competition. Organized by Chimaya Mission on 6th August 2026.

In the Spirit of Bappa

गणपती बाप्पा मोरया

The Ganpati Celebration was marked with great enthusiasm as students from Grades 1 to 5 showcased their creativity by crafting and decorating Ganesha idols using clay and artistic drawing techniques. The activity blended tradition with creativity, making the celebration joyful, meaningful, and hands-on.

Celebrating Authors, Stories & Young Voices

As part of the English activity "Celebrating Authors, Stories & Young Voices," an engaging Authors' Station was organised for Grades IV and V in the school library.

Students explored the lives and works of celebrated authors including Sudha Murthy, R. K. Narayan, Ruskin Bond, Sarojini Naidu, Amrita Pritam, and Rabindranath Tagore through lively portrayals. The interactive "Literary Mystery Box" added an element of fun while encouraging attentive listening and participation.

A special highlight was the interaction with our budding young authors — Richa Jain, Shreeya Jadhav, Shreesha Bhalerao, and Prathana Adhav. They shared their writing journeys and inspired their peers to discover the writer within themselves.

The young authors were felicitated by the Principal in recognition of their creativity and contribution. The session concluded with an inspiring message: Every reader can become a writer, and every young voice has a story to tell!

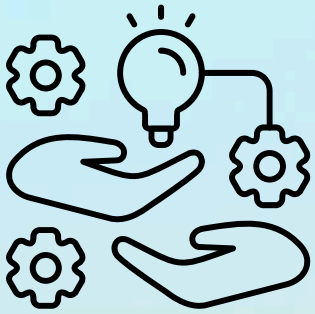

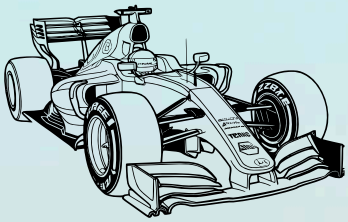

Skill Sharing

A skill-sharing session on Bloom's Taxonomy focused on its practical application in exam paper blueprinting and question paper design. Teachers revisited the different levels of Bloom's Taxonomy and engaged in an activity that involved framing questions based on a given story and aligning them with the appropriate cognitive levels. The session also highlighted the use of visual and picture-based questions for Grades 1 and 2, with their gradual reduction from Grades 3 to 5. Teachers were guided to follow the sequence of Blueprint → Question Paper → Revision Paper → Answer Key and were encouraged to frame precise, age-appropriate, and well-structured questions, strengthening their skills in effective assessment design.

Formula (F6) Car Display

The Students Formula (F6) Car Display was organised on 23rd September, offering students an exciting opportunity to view a racing car up close. The complimentary exhibition, sponsored by Robobox, provided valuable exposure to automotive design, engineering, and STEM concepts, inspiring students to explore innovation and technology.

Manibhavan Competition Participants

The students participated in the Hindi, English, and Marathi Poem Recitation Competitions and were selected for the second round. With systematic training and guidance from the teacher-in-charge, they worked on voice modulation, expression, pronunciation, fluency, and stage presence. The competition provided a wonderful opportunity for students to showcase their confidence, dedication, and communication skills.

The students participated in a Hindi One-Act Play Competition organized by Gandhi Smarak Nidhi, Mumbai, and Mani Bhavan Sangrahalaya to commemorate the life and teachings of Mahatma Gandhi. Through their play "Hum Sab Ek Hain," students portrayed key events from Gandhiji's life and highlighted the values of truth, non-violence, unity, and self-reliance. The performance provided a wonderful opportunity for students to showcase their confidence, creativity, acting skills, and teamwork.

The students visited Mani Bhavan Sangrahalaya, on 7th September 2026 to participate in an One Act Play Drama Competition. Teacher's accompanied the students and guided them throughout the event. The competition provided a wonderful opportunity for students to showcase their creativity, confidence, acting skills, and teamwork.

S-Ward Competitions Participants

The S-Ward Inter-School Storytelling Competition was held on 8th September 2026 at Nanji Shamji Shah School, Mumbai. Students of Grades I and II participated enthusiastically, presenting their stories with confidence and expression. The event provided a valuable platform to enhance their creativity, communication, storytelling, and presentation skills.

The S-Ward Storytelling Competition for Grades 3 and 4 was held at L.K. Mehra UBS English High School, Bhandup. Miss Ananya Singh (Grade 3) and Master Annhadd Singh Sokhi (Grade 4) participated enthusiastically, showcasing their storytelling, expression, creativity, and confidence.

Best Out of Waste Competition

Master Batin Saini of Grade 4 brought home the Second Consolation Prize in the Best Out of Waste Competition at Aarohan 2026, organised by St. Xavier's High School and Junior College, Bhandup, on 30th September 2026.

His creativity and innovative thinking truly turned waste into something wonderful! Congratulations, Batin! 🎉

Oratorical Competition

The English Oratorical Competition for students of Grades 1 to 5 was conducted during the assembly period, providing young speakers with an opportunity to express their ideas confidently. Students spoke for two minutes on age-appropriate topics, showcasing their communication skills, fluency, voice modulation, vocabulary, and effective expression. The competition encouraged students to think creatively, speak with confidence, and develop their public-speaking skills.
